**SUBSTITUTE AMENDMENT UNDER 37 C.F.R. § 1.111**

Mail Stop Amendment  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

This communication is further to the Notice of Non-compliant Amendment mailed April 12, 2005, concerning the above-referenced patent application. The Notice set a 1-month or 30-day period for response. This Reply is being timely filed on or before its due date of May 12, 2005.

In the Notice, the Patent Office asserted that since Applicants' Reply filed on January 20, 2004 was non-compliant, the amendments were not entered. Since these amendments were not entered, the Reply of January 4, 2005 should have identified claims 46-59 as "new" rather than "previously presented."

However, Applicants responded on May 13, 2004 to the Notice of Non-compliant Amendment mailed on April 13, 2004. Not having received a Notice of Non-compliance with respect to the Reply of May 13, 2004, Applicants assumed that the Amendments had been entered. This assumption was, apparently, in error.

Applicants herein reiterate the Amendments made in the Reply of January 4, 2005. Claims 46-59 are now identified as "new."

**Amendments to the Claims** are reflected in the listing of claims which begins on page 3 of this document.

**Remarks/Arguments** begin on page 8 of this document.

Please amend the application as follows:
